18.11.2020

To : Parents / Guardians,

**Suspension of Face-to-Face Classes**

In the light of the recent territory-wide outbreak of upper respiratory tract infections and several confirmed cases in our school, the Government announced today that our school would suspend face-to-face classes and all school activities for 7 days starting from tomorrow (19.11.2020) to next Wednesday (25.11.2020), with an aim of reducing the risk of virus transmission in the school.

During the class suspension period, students have to switch to online learning. The contingency arrangements are as follows:

1. For the first 2 days of class suspension, the following videos will be uploaded to Google Classroom for students' learning:

19.11.2020 (Thursday)	20.11.2020 (Friday)
- English Resource Videos (P.1 - P.6)	- Chinese Resource Videos (P.1 - P.6)
- Maths Resource Videos (P.1 - P.6)	- G.S. Resource Videos (P.1 - P.6)
- Cultural Activity Video	- Cultural Activity Video

2. From 23.11.2020 (Monday) onwards, video lessons of Chinese, English, Maths and G.S. will be uploaded to Google Classroom. Real-time Zoom lessons will also be conducted. Students have to attend the online video lessons and real-time Zoom lessons every day and complete the Google Form assignments and other assignments accordingly.

3. Our school would remain open to take care of those students who have to go back to schools because of the lack of carers at home.

Please take appropriate disease preventive measures and stay vigilant on the health condition of your children. Students should avoid going to crowded places or poorly ventilated public places, etc., and should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. Also, please browse our school website to keep abreast of the latest information.

Thank you for your attention.
