To: Parents / Guardians,

School Suspension and Secondary One Registration

Please note the following:

1. As announced by the EDB, school will be suspended tomorrow (11.7.2025) due to adverse weather conditions. Summer holidays will start on 14.7.2025 (Monday).
2. The S1 Registration procedures were originally scheduled to take place today and tomorrow (July 10 and 11) at the allocated secondary schools. Considering that some parents may have already made arrangements to register at the schools today, the original whole-day registration arrangements for today will remain unchanged. If parents choose to register their child at the allocated secondary school today, they should pay attention to the weather conditions and ensure safety. For safety reasons, parents should not bring their children to the school for registration. Besides, the registration originally scheduled for Friday, July 11 will be rescheduled to next Monday, July 14. If parents are unable to register in person or through an authorised representative on the above dates, please contact the allocated secondary school or the School Places Allocation Section of the Education Bureau (Tel: 2832 7700 or 2832 7740) to make appropriate registration arrangements.
