SSPA e-Platform Parent Account Creation Information

In line with the Smart Government strategy, the Education Bureau (EDB) has implemented digitalization of Secondary 1 (S1) admissions starting from 2023. Parents who have registered as SSPA e-Platform users with "iAM Smart+" may submit the applications for DP, CA and cross-net allocation (if necessary), and view application results via the SSPA e-Platform.

The application period for Discretionary Places for the SSPA 2025/2027 cycle is from 4 January to 18 January 2027. The EDB encourages parents to register with "iAM Smart+" as early as possible for more convenient and faster services throughout the entire S1 application process. Parents may create an eSSPA account with the information below:
