Notice: 12/2026-27

10.11.2026

Dear Parents / Guardians,

Attaching great importance to parent education, the Education Bureau (EDB) has all along been providing a diverse range of parent education programmes for parents of non-Chinese speaking (NCS) students, and has launched the "Parent Education Resource Pamphlets for Parents of Non-Chinese Speaking Students" ("Resource Pamphlets") this school year for parents' reference.

Our school actively promotes home-school co-operation and parent education, and hereby encourages parents of NCS students to actively participate in the activities organised by the EDB under the "Academy for Parents of Non-Chinese Speaking Students", and to read the "Resource Pamphlets" in detail, so as to acquire the latest parent education resources and acquaint themselves with the knowledge and skills needed to support their children's learning and whole-person development. Details of the parent education programmes for parents of NCS students for the 2026/27 school year and the "Resource Pamphlets" are as follows:

(1) **Parent Education Programmes for Parents of Non-Chinese Speaking Students** EDB has commissioned Caritas – Hong Kong to organise thematic sharing sessions and community activities under the "Academy for Parents of Non-Chinese Speaking Students" between November 2026 and July 2027 in various districts across Hong Kong. Diversified modes of activities, including thematic talks, workshops, game booths and community exploration, are adopted to cater for the different needs of parents of NCS students. The event calendar, topics, enrolment methods and contact information of the service provider are set out in **Annex 1**.

(2) **"Parent Education Resource Pamphlets for Parents of Non-Chinese Speaking Students"** EDB has commissioned Caritas – Hong Kong to develop the "Resource Pamphlets" for parents of NCS students. The "Resource Pamphlets" cover four themes, providing parents of NCS students with practical information, along with e-learning resources such as presentation slides and videos (with English narration), to help them further promote 5 the happy and healthy development of their children. The "Resource Pamphlets" and their accompanying presentation slides, available in 10 language versions (including Chinese, English, Bahasa Indonesia, Hindi, Nepali, Tagalog, Thai, Urdu, Punjabi (Indian) and Vietnamese), have been uploaded to the EDB website (Path: https://www.edb.gov.hk/en > Home > Students and Parents Related > Non-Chinese speaking (NCS) students > Education services for non-Chinese speaking (NCS) students > Provision and Support > For parents and students > Parent Education Resource Pamphlets for Parents of Non-Chinese Speaking Students).
