

Zoom Download Guideline (Computer Version)

Li Cheng Uk Government Primary School

What is Zoom?

Zoom is a **real-time video conferencing** that allows two or more people to communicate with video and audio at different locations. **Teachers will use Zoom to conduct real-time teaching lessons.**

SIGN UP, IT'S FREE

We have developed resources to help you through this challenging time. [Click here](#) to learn more.

2. Click **ZoomInstaller.exe** at the bottom left corner.

Zoom is available on Mobile and Tablet.

Download in App Store

Download in Google Play

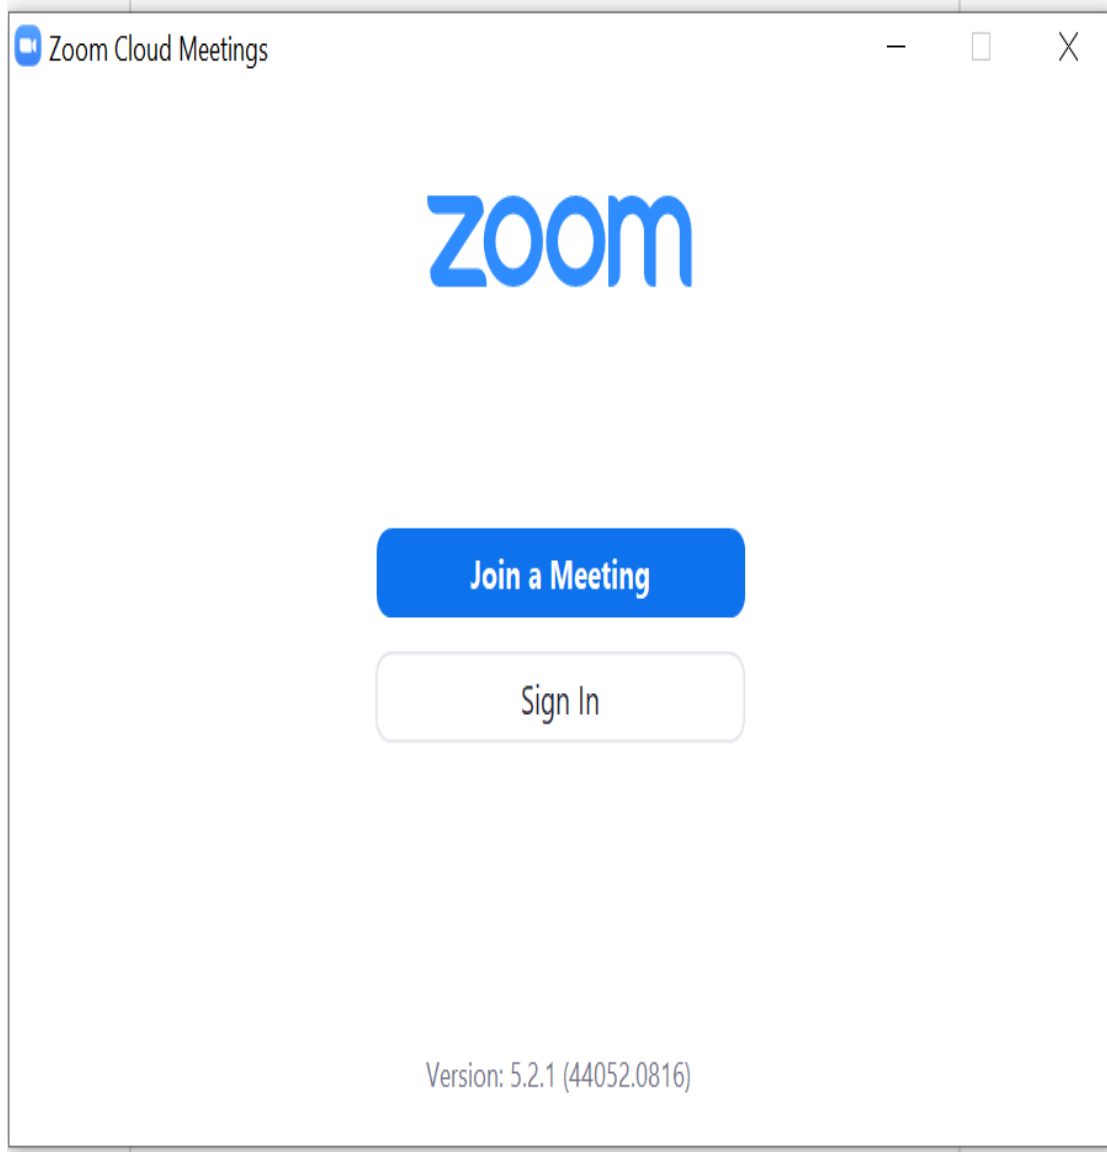

Help

ZoomInstaller.exe

Show all

3. The installation will start automatically.

The screenshot shows a web browser at the URL `zoom.us/support/download`. The page features the Zoom logo and navigation links such as 'SOLUTIONS', 'PLANS & PRICING', 'CONTACT SALES', 'JOIN A MEETING', 'HOST A MEETING', 'SIGN IN', and a prominent blue 'SIGN UP, IT'S FREE' button. A green banner below the navigation contains the text: 'We have developed resources to help you through this challenging time. [Click here](#) to learn more.' Below this banner, the text 'We're now downloading Zoom ...' is displayed. A 'Zoom Installer' window is overlaid on the page, showing a progress bar at 52% with the label 'Installing...'. A red arrow points from the top of the page down to the 'SIGN UP, IT'S FREE' button, and a red oval encircles the 'Zoom Installer' window and the text 'We're now downloading Zoom ...'. At the bottom of the page, there is a note: 'Zoom is available on Mobile and Tablet.'

4. If you could see the software **Zoom Cloud Meetings** pop out, your download is successful!

Please download the Zoom software before lessons start and **keep updating the Zoom software regularly** following the above steps.
