

Notice: 20/2021-22

20.2.2022

To: Parents / Guardians,

Two Preliminary Positive Cases of Coronavirus Disease 2019 (COVID-19)

Please note the following:

1. School Closure

A teacher and a teaching assistant have been preliminary tested positive. Their last school day was 7-2-2022 (Mon) and 15-2-2022 (Tue) respectively and they are now being quarantined at home. The school will be **closed** for thorough disinfection **on 21-2-2022 (Mon)** and arrange a small number of staff to handle school affairs and answer phone calls. **Parents and students should not come** to school on that day. The school will strengthen the cleansing and disinfection of the school premises and will open on 22-2-2022 (Tue).

2. Arrangements of Real-time Zoom Lessons

Real-time Zoom lessons will be conducted as usual. However, due to unforeseeable situations such as health conditions of teachers, students of classes in the same level may have to combine to attend the lessons. In such case, the class teachers concerned will let the students know during the class period that morning. Please accommodate the inconvenience caused.

3. Advice for Parents

Our school would like to urge parents to stay vigilant and put in place appropriate preventive measures to guard against the spread of COVID-19, based on the health advice from CHP. For details, please refer to <https://www.coronavirus.gov.hk/eng/health-advice.html>.

Our school will keep close contact with CHP and closely monitor the health conditions of our staff and students. If parents want to obtain more information of COVID-19, please refer to the relevant website: <https://www.coronavirus.gov.hk/eng/index.html> or call the CHP hotline (Phone number: 2125 1111 / 2125 1112, service hours from 8:00 a.m. to 12:00 midnight).

If you feel worried about you and your family members' health conditions, you are strongly advised to use the combined nasal and throat swabs and testing services for COVID-19 at the community testing centres nearby. For details, please refer to the following website: <https://www.coronavirus.gov.hk/eng/early-testing.html>

Please avoid going to crowded places or poorly ventilated public places, etc., and students should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. Also, please browse our school website to keep abreast of the latest information. For any enquiries, please contact the school at 2386 8049. Thank you for your attention.

Ms CHUI Sau-man
Headmistress
