

Special Notice: 25 /2023-24

21.9.2023

To: Parents / Guardians of _____ (_____),

Purchase of Learning Materials for Chinese Enrichment Program

Your child/ward has been selected to participate in the Chinese Enrichment Program. Apart from school-based worksheets, tasks and learning booklets which are either graded or tailor-made in nature, LCU will prepare the learning materials for Chinese Enrichment Program to cater for the need of elite students. In order to enhance students' Chinese literacy skills and spark their interest in Chinese, students need to purchase a supplementary exercise and an exercise book. Our textbook supplier, T.H. Lee Book Company Limited, will help to order these learning materials. Yet, parents can choose to buy them in other bookstores. The supplier will come to school to collect the fee later. There is no need for parents to come to school. Those who are unable to submit the fee on 25.9.2023 (Monday) have to buy the learning materials on your own. The learning materials will be sent to school as soon as possible after the supplier has collected the fee.

Should you have any enquiries, please feel free to contact Ms CHAN Lau-yu or Ms LAM Sze-lai at 2386 8049.

Thank you for your attention.
