

To: Parents/Guardians of P.6 Students,

Secondary School Places Allocation (SSPA) 2022/2024
Application to Direct Subsidy Scheme Secondary Schools
Not Participating in the SSPA System

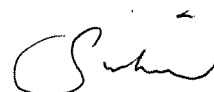

1. Please be informed that a student may apply to any non-participating DSS schools for Secondary 1(S1) places and there is **no limit to the number of such schools he/she can apply to**. In the SSPA 2022/2024 cycle, there are 42 DSS schools not participating in the SSPA System. Please refer to the Appendix for the list. Parents are advised to browse the website of those DSS schools for further details and updated information.
2. Please be reminded that **most of the DSS schools are fee-charging**. Students may be promoted to Secondary 4(S4) in their own schools upon completion of Secondary 3 and will not be centrally placed to S4 in other schools subvented by the EDB. Parents who are interested in sending their children to such schools should approach the schools directly for further details about their application procedures, curriculum, extra-curricular activities, academic attainment, school fees, etc.
3. Parents can also visit EDB's Homepage (www.edb.gov.hk) (Select: Home > Education System and Policy > Primary and Secondary School Education > School Places Allocation Systems > Secondary School Places Allocation (SSPA) System) for updated information.
4. If parents surrender **the signed undertaking and the original of the P.6 Student Record Form** to non-participating Direct Subsidy Scheme (NDSS) secondary schools, it will serve as a confirmation of the acceptance of the S1 place offered by the NDSS school and the agreement to **give up any other subsidized S1 places (i.e. S1 places to be allocated through the SSPA System)**.

5. The P.6 Student Record Form will be distributed to students in December 2023. Upon receiving the Successful Lists of Participating Students and copies of the signed undertaking by parents from NDSS secondary schools by 29 April 2024, the School Places Allocation Section of EDB will not allocate the students concerned to other secondary schools through the SSPA System.

6. Parents who received notifications of successful DP applications from participating secondary schools have also successfully applied for a school place in an NDSS secondary school, they may decide whether to accept the offer from the NDSS secondary school on or before 10 April 2024. If parents decide to retain the school place, they should disregard the notifications from participating secondary schools. If they decide to decline the offer, they may notify the NDSS secondary school concerned and retrieve the signed undertaking and the original copy of the P.6 Student Record Form on or before 10 April 2024 in order to retain the DP which they have successfully obtained. **Once the relevant documents are retrieved, it will serve as confirmation that the parents concerned have surrendered the S1 school place previously offered by the NDSS secondary school.**

7. Should you have any enquiries, please contact Ms Chan (Academic Affairs) at 2386 8049.

Thank you for your attention.

 (Ms Chui Sau-man)
