ICAS is sponsored by the University of Sydney in Australia and New Zealand, one of the top universities in Australia and highly ranked among the best universities in the world. As an outcome of this, each ICAS certificate will include the University of Sydney logo. ICAS provides schools and students with detailed statistical analysis of student's results and certificates are awarded to all participating students. It recognizes excellence of achievement and awards medals to those students with outstanding performance.

Our students will enroll in the following core subjects:

- 1) English (Separate papers for P.5 and P.6)
- 2) Mathematics in English (Separate papers for P.5 and P.6)
- 3) English Writing (Separate papers for P.5 and P.6)

The online assessment of English and Mathematics in English will be held on **18th March 2024 to 19th March 2024 (tentative)** while the online assessment of English Writing will be held on **22nd April 2024 to 23rd April 2024 (tentative)** at our school within school hours.

A fee of **HK\$125** for English and Mathematics in English is charged for each subject to be assessed and **HK\$175** is charged for English Writing. Please note that entry fee is non-refundable. The assessment papers would be marked by ICAS system and certificates with analysis would be issued to all the participants individually.

To enable the school to make necessary arrangements, it would be much appreciated if you could complete the reply slip and return it (with the assessment fees, if applicable) to the class teachers on or before **08.11.2023 (Wednesday)**.
