Household Application for Student Financial Assistance Schemes 2024-2025

Families who wish to apply for student financial assistance for the 2024/25 school year may access “SFO E-link – My Applications (Financial Assistance Schemes at Pre-primary, Primary and Secondary Levels)” (<https://ess.wfsfaa.gov.hk/espps>) to complete and submit the electronic application form on-line and upload copies of all necessary supporting documents **on or before the end of May 2024**. Applicants should read the leaflet on household application attached carefully. **Each family should submit one application only**. Multiple applications from the same applicant will be voided and lead to delay in processing the application.

To facilitate application and for environmental protection, the Student Finance Office (SFO) encourages applicants to submit electronic application. For enquiries relating to the financial assistance schemes and application procedures, please call the 24-hour enquiry hotline at 2802 2345.

*Electronic submission is strongly encouraged. However, if applicants encounter repeated failure despite numerous attempts, you may ask class teachers for a hard copy of application form and post it with copies of necessary documents **direct** to Student Finance Office. For details, please refer to the Guidance Notes on Household Application for Student Financial Assistance Schemes.

Thank you for your attention.
